Interested Administrators Stimulate Desire to Learn

Academic and social blending in school life originates with the open-minded and intelligent thoughts of involved leaders, who attempt to formulate teaching methods and atmospheres both pleasing and beneficial to their students. Trained guidance people offer assistance in solving students' problems and preparing them for successful lives.

Planning the work of the day is part of the principal's task.

Faith and Intellect Blend into a Way of Living

Inquisitive man is curious to discover where he originated and what God means to him. By considering religion from a theological aspect, students find new approaches to answering numerous questions.

Classroom discussions, in which varied opinions are exchanged and debated, demonstrate religion's emphasis on the present and its active involvement in current issues. The viewing of movies helps promote interest and enthusiasm in religious activities.

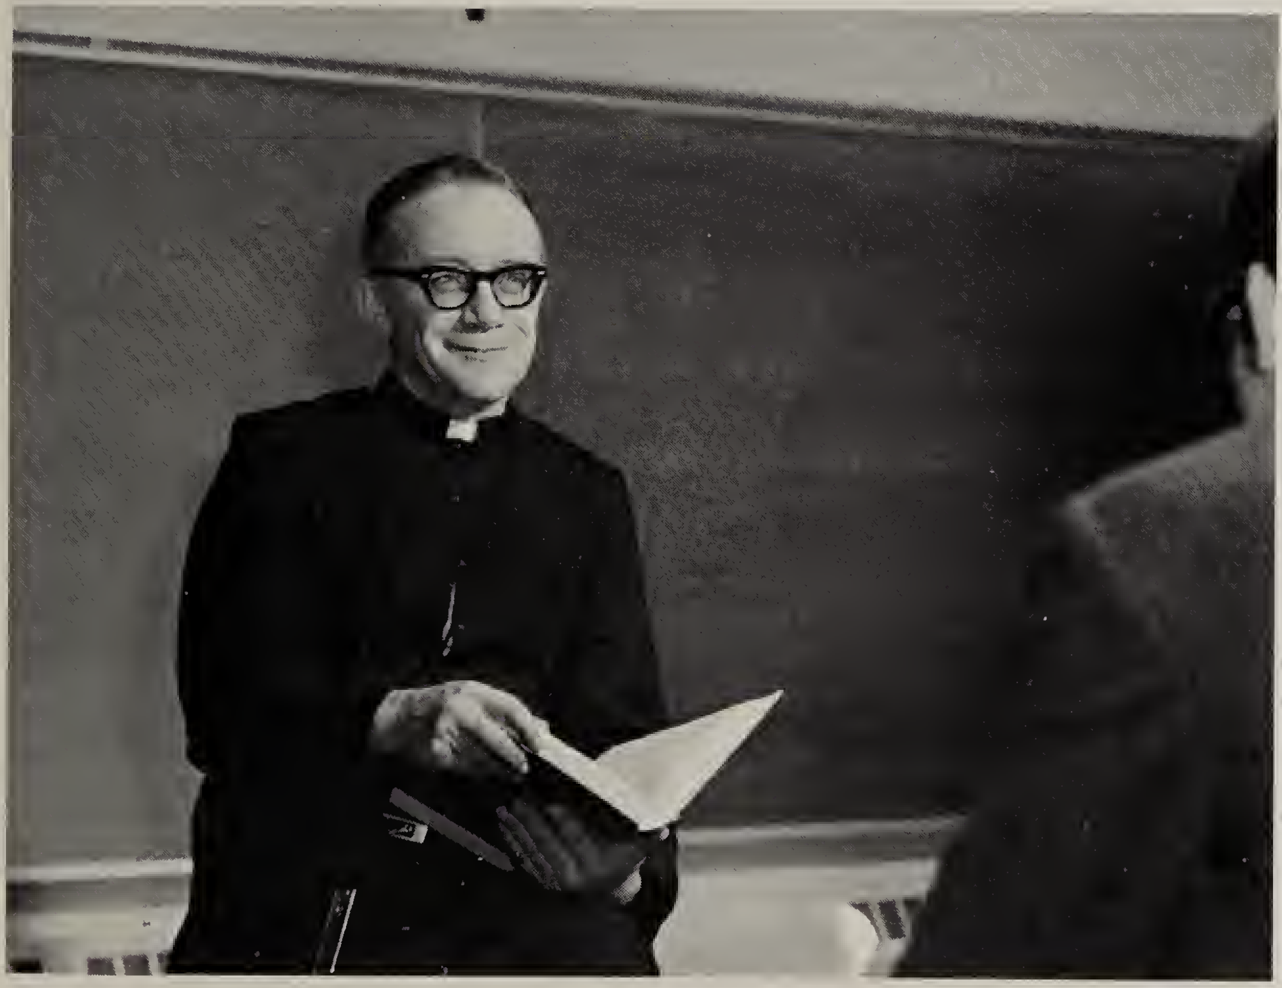
Mere Ideals of Yesterday Inspire Deep Thoughts for Today

In the art of expression lies the key to communication—from the rudiments of structure and style develop the ability to keep in step with a progressing world.

Basic structure of English and writing style are stressed in the lower English classes. English III classes commence the intense study of literary works of many authors: Shakespeare, Hemingway, Hawthorne. There is much concentration and elaboration upon written masterpieces in English IV. The Advanced Placement course offers interested Seniors an opportunity to develop their ability to read with better appreciation and enjoyment.



As an English teacher, Father Hunt conveys complicated meanings of literature.

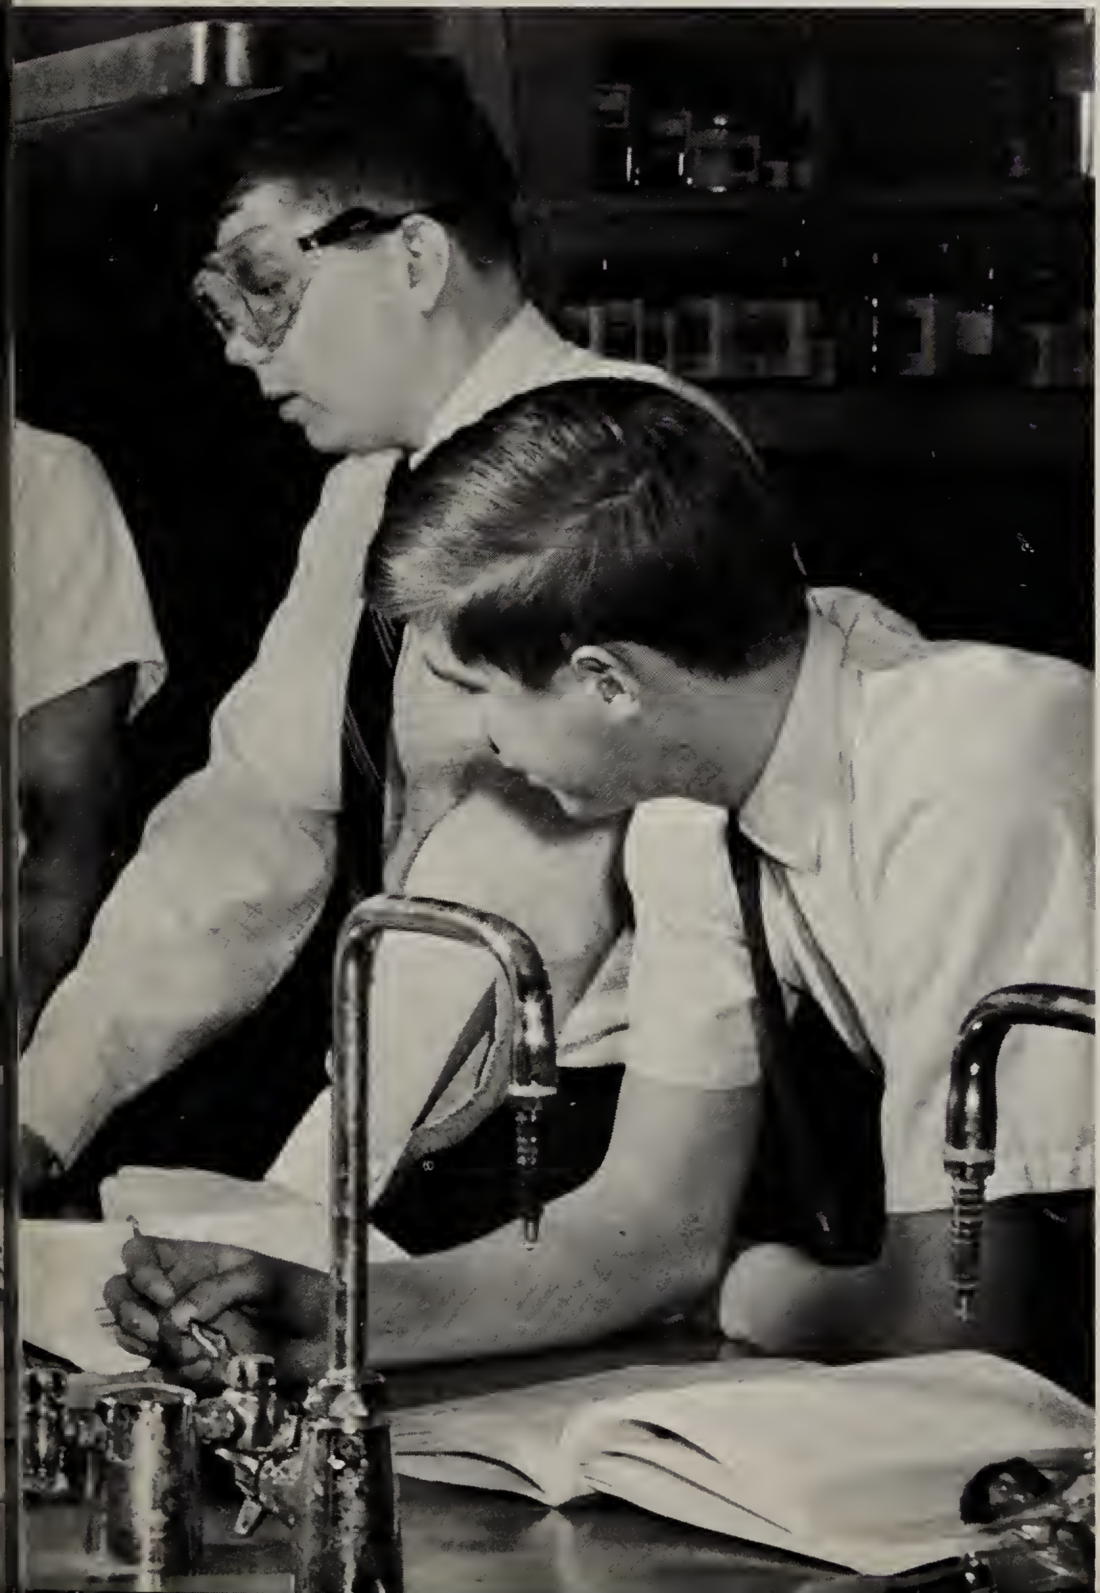
BIOLOGY SERIES

Miss Benedict delves into an explanation of the intricacies of the corn cell.

Science Discovers Phenomena of Nature

Newly discovered theories and ideas concentrate preexisting knowledge. The scope of man's power to explain life, its beginning, its structure, and its environment. Individuals find difficulties in learning the increasing number of concepts, but as humans, they are improved and enlightened by them.

In the General Science courses, an overall introduction to the concept of science itself is stressed. Biology probes the anatomical structures of living beings, and Chemistry defines the substance of matter. In Physics, the conservation of energy, the conservation of momentum, and the conservation of charge are explored and related.



Students increase their knowledge by performing experiments themselves.

Tom Kraus inquisitively examines a biology exhibit.

Mr. Crato sketches rough drawings to explain various concepts of General Science.

General Science teacher, Mrs. Altman, prepares for a demonstration.

Physics pupils use a slinky in experimenting with a wave transmission.

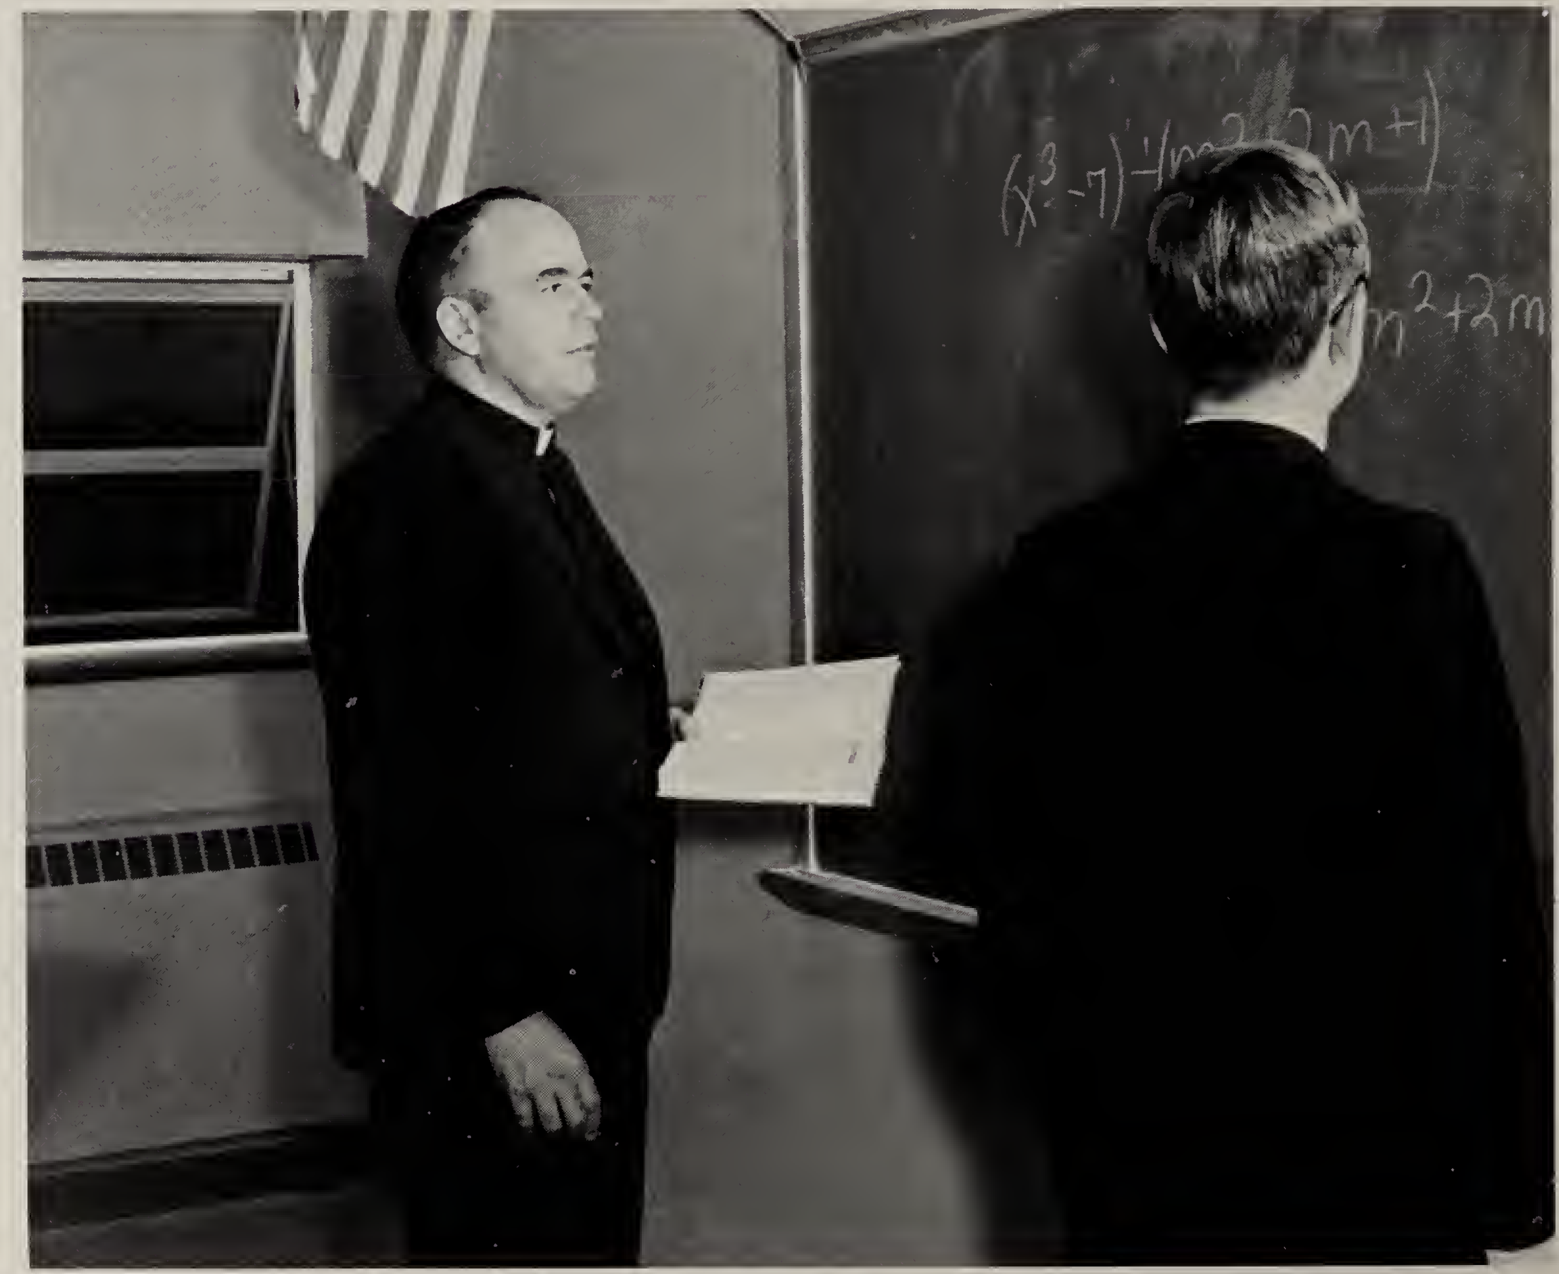
Miss Seereiter explains basic theorems of fourth year math to enthusiastic students.

Students discuss a complicated math problem.



Students are called to the board so Father Beausoleil may help them answer their own questions.

Order and Truth Are the Essence of Math

The relationship of abstractions and actual fact to reproduce accurate formulas and conclusions constitutes mathematics. Precision and speed with numbers are stressed in the fundamental math classes. Geometry and trigonometry develop deductive reasoning applicable to daily life. The higher math courses challenge the mind to discover complicated principles of calculus.

Miss Semortier's ability with Mathematical logic is a boost to confused students.

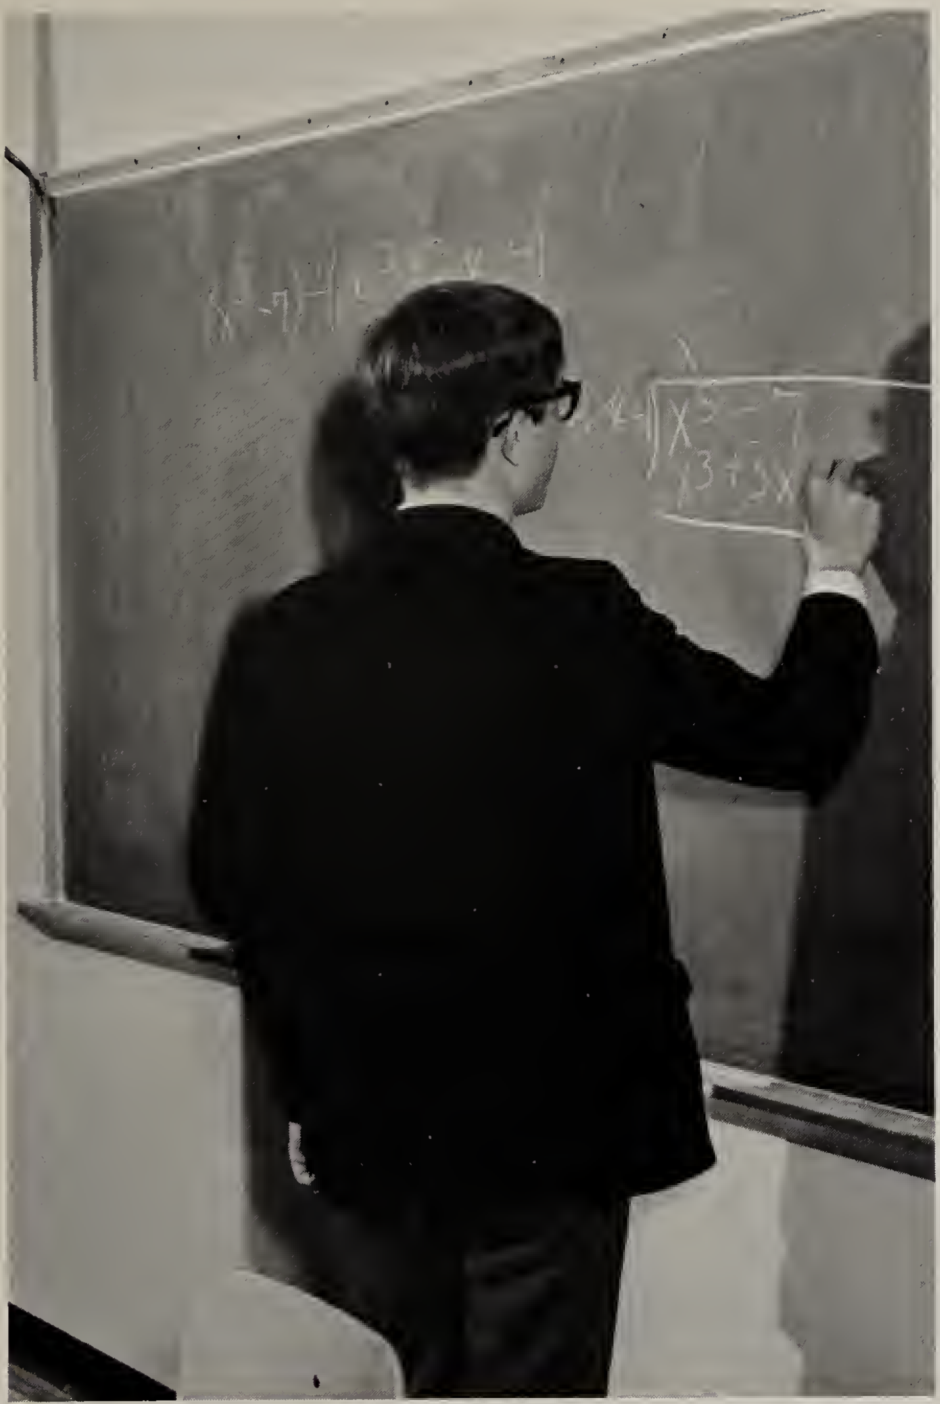
Precision is a requirement for accurate drawings.

The art of constructing proportionate figures is begun in the math class.

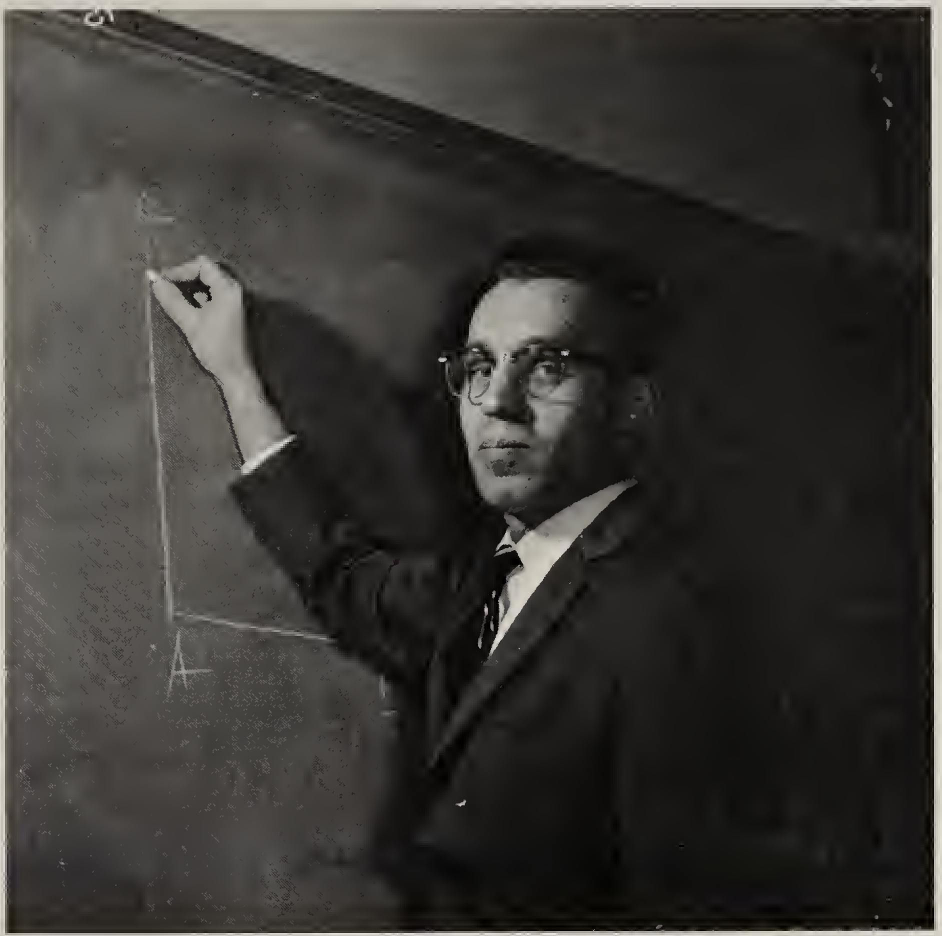
Learning how to use the slide rule is a complicated process.

The basics of Math come in handy sometimes.

Mrs. Kolasny attempts to answer a student's question.



Solving math problems requires great powers of concentration.



Mr. Boezse instructs students step by step—comprehension is the goal.

Mr. Jarrell reviews his notes before presenting them to his classes.

Unpredictable Man Molds His World

The concept of "history" as facts and dates is radically changing; the coordination of these events as a whole leading up to and explaining the present is significant. By relating the many occurrences in life to one another, as is done in World Cultures, World and American History, students begin to understand the "why" of events. Economics demonstrates the use of money and resources; Sociology probes into the psychology of man, and the habits of his social behavior.

Mr. Hughes' involvement with students helps them understand themselves and others.

Mrs. Sullivan dictates notes to an attentive class.

Graphs aid understanding of economic principles.

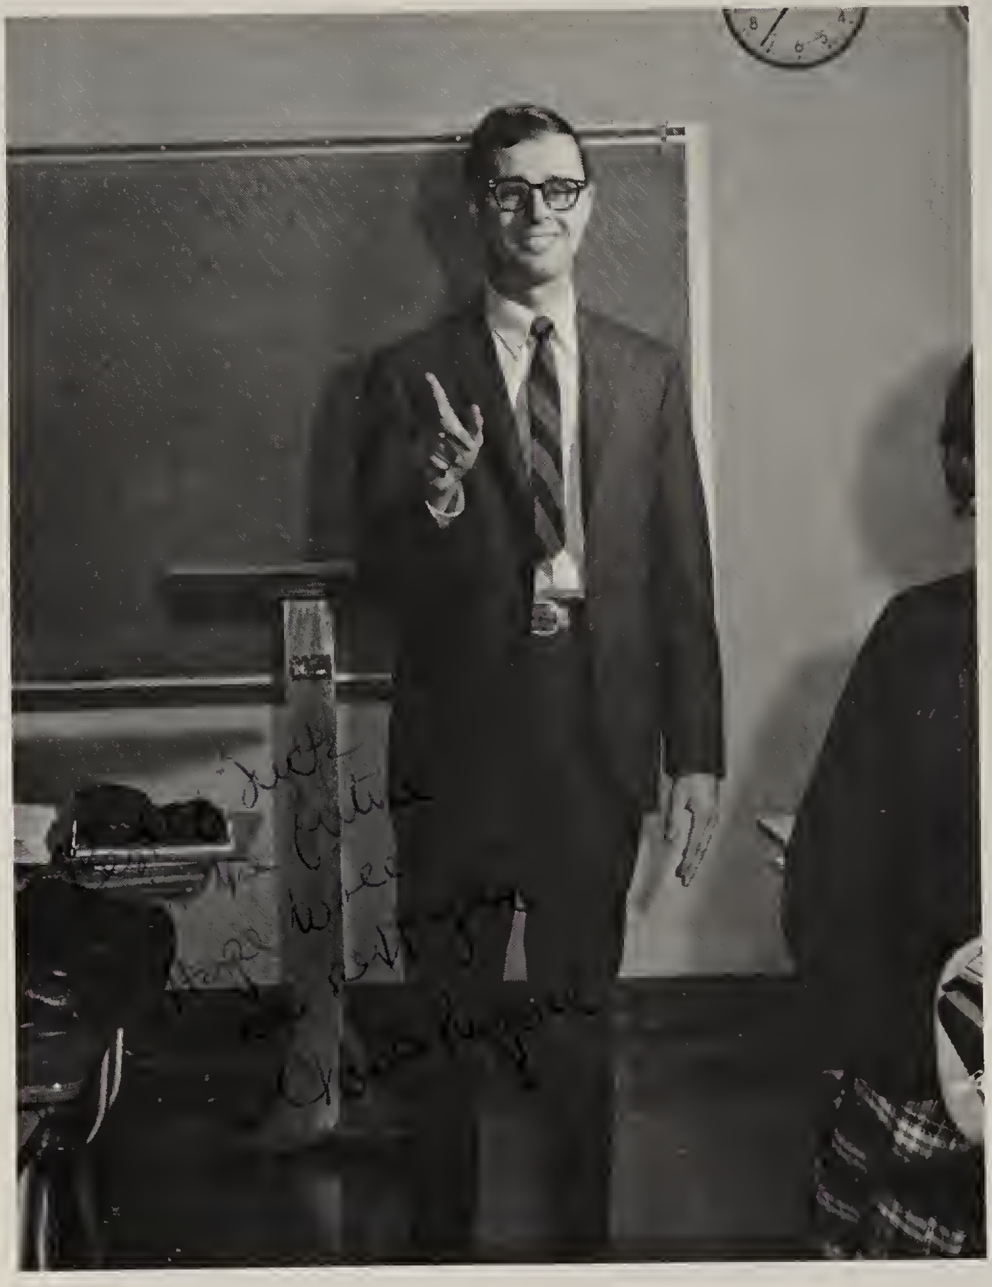
World Encompassing Languages Broaden Cultural Interests



Man's thoughts are sifted, assimilated, and finally verbalized in unique but unified tongues. These very roots form the brotherhood of man.

This year the business department grooved its traditional classroom teaching towards practical usage. For the first time at Neumann, business students are able to work as if in an actual office. Modern office equipment has been brought into school for experimental purposes. Not only are the students profiting from the renovations, but these improvements are also helpful to the faculty and the school.

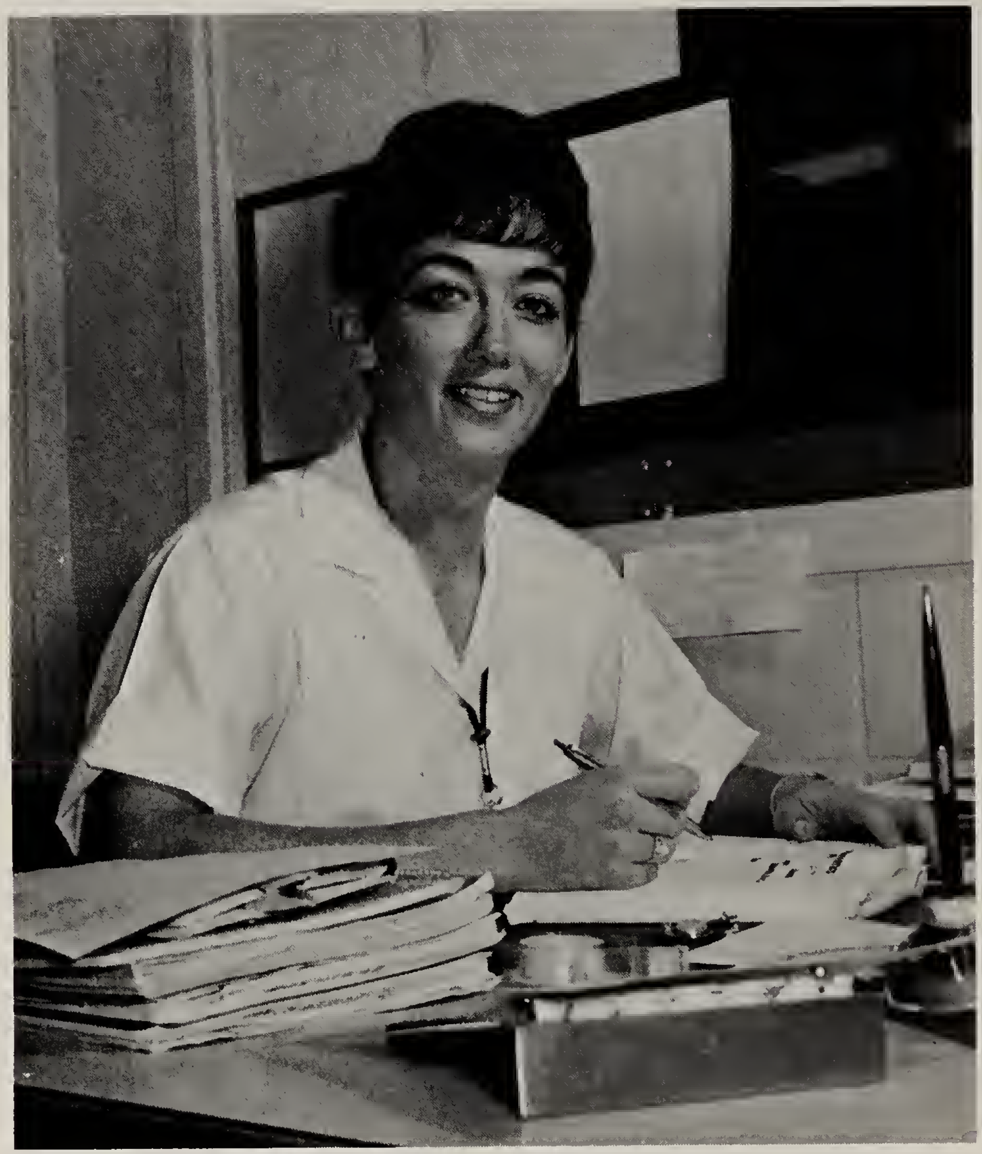
Physical Education Tests Endurance and Develops Skills



Cultivating and maintaining interest in athletics are two goals of the physical education department. In fall, when emphasis on soccer is strong, classes provide several opportunities for learning and playing the game. The fundamentals of wrestling are demonstrated in later classes. Girls' exercises and acrobatics develop poise and posture. Enthusiasm at Neumann sports events contribute to individual interest in the athletic program.

A Strong Body is Essential for a Strong Mind

Health officials, interested in the physical welfare of the students, provide medical and dental services to the school. Mrs. Nowak, R.N., the school nurse, keeps a regular check on individual's health, and daily assists students who are ill.

The official Home Economics Course, under the careful hand of Mrs. Tauriello, has become very popular among Neumann girls this year. The course emphasizes meal recipes and planning, and basic instruction in sewing.

Mrs. Tauriello points out a few tips in cooking.

Mrs. Nowak charts the Health records of Neumann "patients."

Concentration and patience are essential in sewing.

Mr. Doug Schultz and Mr. John Ford not only perform their work effectively, but also add to the merriment in school.

The dependable office girls, Miss Jane Kelly, Mrs. Esther Pringle, and Mrs. Mary Neaf, assure the school of accurate and neat records and files.

These dedicated women keep Neumann "well-fed": Mrs. Theodore, Mrs. Hebeler, Mrs. Berry, Mrs. Schalk, Mrs. Helsel, Mrs. Clayback.

This year the Student Council enriched its knowledge of governmental functioning by participating in a model United Nations which was held in Erie. The money obtained by the winter pizza sale was used for furthering Council activities. Several dances, all featuring name bands, were sponsored for the entertainment of the school.

Memoir Typifies Neumann Life

The highlight of the school year is the presentation of the yearbook—a concrete representation of growing individuals and advancing ideas. Explanations and glorification of memorable events are acknowledged and each student is able to view himself in the realm of the entire school.

The yearbook staff of thirty members, comprising the lay-out, copy, photography and business sections, meets Saturday mornings and occasional afternoons. The exchange of original ideas and creative thoughts are the keys in formulating Neumann's yearbook.

Neumann Publications Tackle Board Issues

The "Voice of Neumann" attests to its name, it that this newspaper is the voice of Neumann students. The school paper does a more than adequate job, as is proven by the many awards it has won, of keeping students informed concerning school activities. In "Letters to the Editor" and general articles, individuals are given the chance to express an opinion on controversial questions and current topics.

In order to provide our students with an outlet for their literary abilities Xanadu magazine was initiated this year.

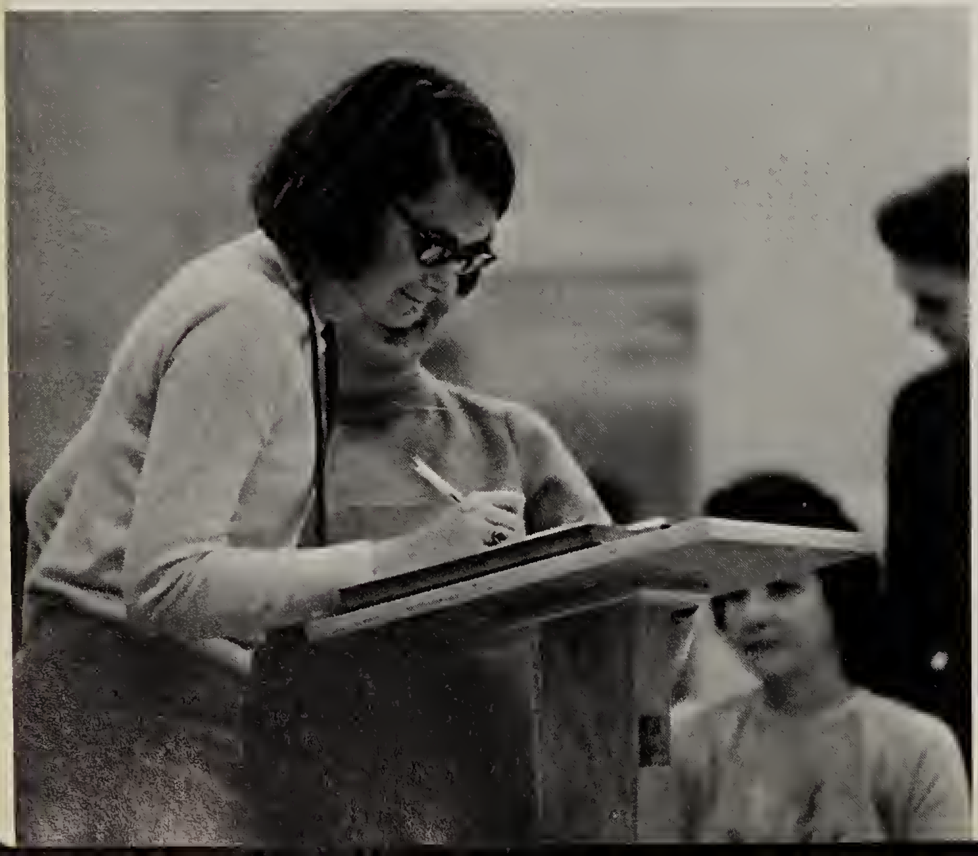
National Honor Society Encourages Further Achievement

The National Honor Society, in promoting leadership, character, scholarship and service to school and community, aims to promote individual response in its activities. They sponsored two excursions: a winter trip to Toronto with several other county branches and a spring field day in Rochester. Panel discussions were held between schools at Lakeshore Central and Corning Community College. A theatre party to Studio Arena was the peak of cultural activities.

Father Griffin presents Mary McCarthy with National Honor Society pin.



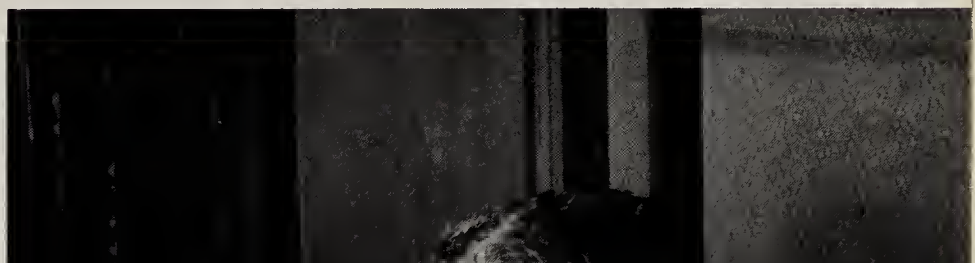
Mary Jane Heim signs the official register.

Pasting, typing, and arranging keep Library helpers busy.

Library Council Revises System

The Library Council is an organization ideally designed to help students with reference work. The members of the Council perform technical tasks, such as typing, filing, checking out books, and changing book covers. Without the able assistance of these students, Fr. Leddy's task of maintaining the library would be much harder.

President, Dennis Leising, and officers get their files in order.



Father Leddy types catalogue cards to help students in reference work.

“Half a Sixpence” Emerges Successfully

Improvisation and flexibility are necessary qualities of talented actors. “Half a Sixpence,” proved a delightfully, refreshing production. The complexities of the dance numbers, demanding lead roles, and involved musical aspects of the show made each practice hectically long, but the energies expended by the cast under the direction of Fr. Griffin, O.M.I., and Mr. Buscaglia, were well paid for by the exuberant response of the audience on each of the three nights.

Mike Hammon’s hands, Tom Gasiewicz’s mouth, Kevin Connor’s eyes, Bill Berchou’s dimple—each add to the portrayal of the apprentices.

Allan Brown looks on skeptically as Mary Ellen Drew presents an idea.

“Ah-h,” screams Chitterlow. (Tom Webb as he re-enacts the dream scene.)

Above: The leading players, Kevin Connors and Debbie Winstel, spend a quiet moment. *Left:* Dave Borchard and Nancy Garvey fly to the tune of "Money to Burn."

Music Inspires Students

The intricacies of a choral arrangement reveal the inner intensity of a piece of music. Weekly practices, under the instruction of Sister Victoria and Sister Elizabeth Ann help members of the Glee Club develop their voices and overcome difficulties in a new score. The Spring Concert, a combination of musicianship and technical understanding, is the climax of the Glee Club's performance.

Catching the mood of a song adds to its interpretation.

Sr. Victoria points out lyrics from popular songs to Mary McCarthy and Marilyn Haumesser.

Art Club Sparks Creativity

Art Club provides the opportunity for interested Neumannites to meet on an informal basis and advance in their respective skills. Meetings are held regularly on Wednesdays, and under the instruction of Mrs. Kirschhofer, films are shown and discussions conducted. The Art Club has also assisted other school clubs through advertising various activities.

French Club Studies Culture; History Club Enlarges

Practice in conversation and knowledge of a country's culture, aids learning of a foreign tongue. French Club, moderated by Mrs. Davidson, studied French painting, culture and history and visited the Albright Knox Art Gallery.

History Club's advisor, Mr. Steven Mann, relates that the organization's aim is for involvement in past and living history. A trip to the American Historical Association Convention in Toronto was their first major trip, and an excursion to New York City was held in the spring.

Basic knowledge of First-Aid treatments is important in modern day living. This year Bishop Neumann offered a course in First-Aid headed by Mrs. Nowak. Members received certificates acknowledging their success in passing the Standard First-Aid Course.

An opportunity to seek further scientific knowledge in numerous fields is provided through the Science Club, moderated by Mr. Crato. General meetings allow members to perform experiments and dissections, and become involved in discussions.

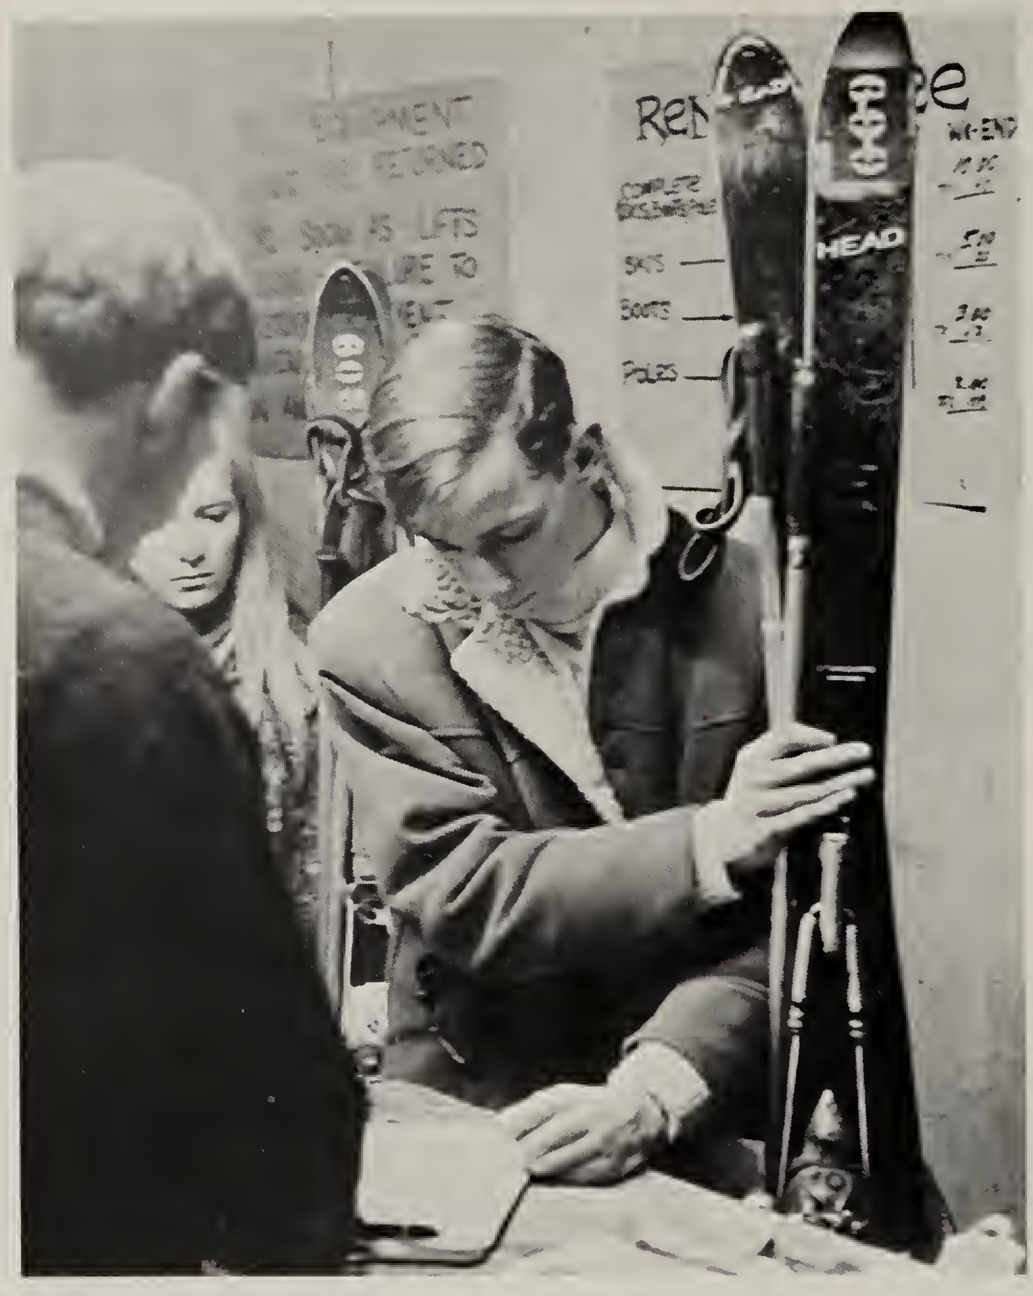
Ski Club Enkindles Interest of Neumann Students



First things first!

Each wintry Friday night, the slopes of Kissing Bridge were dotted with countless figures enjoying their skiing. Once a week, the two hundred student members of Ski Club boarded buses for four hours of skiing at Kissing Bridge. Members were first given lessons and then were allowed to put them into practice on the slope of their choice. The ski trip to Stowe, Vermont, under the careful planning and direction of Mr. P. Hughes, Ski Club Moderator, was enjoyed by many.

Safety is important.

Religious Clubs Influence Christian Thinking

In accordance with the current developments concerning daily practice of religion, the religious clubs at Neumann are fundamental in promoting a positive Christian atmosphere. The activities of the Y.C.S. guided by Fr. Hallahan, and Third Order, under the direction of Sr. Evangela, draw a straighter line between the student and his religion. The highlight of religious activities was the Christmas Party held for the children of St. Boniface by the girls' Apostolic Committee.

Assemblies Complement Learning

Each year the manuvering of the BNHS student body into the gymnasium on Friday afternoon is a more trying feat for Mr. Hughes. Somehow he manages, and the assemblies for 1967-1968 have been most enlightening. Reverend Carl Burke, author of *God is for Real Man,* conveyed his social wisdom to Neumannites in a most sincere manner. The presentation given by the Buffalo Philharmonic Orchestra added to the diversification in the assembly program and proved unusual yet uniquely invigorating. Student talent was shown in the Drama Assembly. General pep and holiday assemblies were also quite effective and entertaining.

Alumni demonstrate various forms of drama using the famous play "Life With Father."

Talented students of B.N.H.S. participate in drama presentation "Curse You Jack Dalton."

Revamped Business Club Serves Faculty and Students

This year, under the supervision of Mrs. Wall and Mr. Ryan, there are a group of students organized into the Business Club to aid faculty and students in typing papers, making stencils and transparencies and other such involved work. Besides helping others these students also help themselves through the training they receive.

Cycle of Class Activities Rounds Out Extracurricular Program

Classes sparked the enthusiasm of students through sponsored activities. The Freshmen Baked-Goods Sale was successful and the Toboggan Party proved fun for all who attended. From the spiritual aspect, Frosh found the opportunity for solitude and enlightenment during Christian Renewal Day, and proved their charity through the adoption of poor families.

The Sophomore raffle of a stuffed dog and sleigh drew the interest of the student body. The business-minded Sophomores also profited from the selling of Zip Code Books and a Baked-Goods Sale. The traditional Sophomore Dance—"Le Jardin Enchante"—was the high peak of the year.

The Junior Class undertook several money-raising and entertaining projects, including Junior Week, the raffle of a Yamaha, the Toboggan Party, and a memorable prom. Inspired by the Peace Corps, the Juniors used their funds to build a school in South America.

Attempting to make their last year the most fruitful and memorable, the Seniors supported various activities. The Ring Dance commenced the year's entertainment, followed by the Senior Hayride and two mixers. The administration recognized the Seniors as adults through their approval of the Senior trip to New York City. Excursions to Radio City and other points of interest in the Metropolis were taken, and current Broadway Musicals were viewed. "Try to Remember," the Senior prom, terminated the Senior's four years at Neumann on a happy yet somewhat melancholy note.

Class officers, advised by capable moderators, expended time and energy in organizing student activities which did not end with recreation alone, but were themselves useful and made a valid contribution to student life.

Soccer Team Finishes Independent Season With 8-3-1 Record

Soccer football is fast becoming one of our nation's most popular sports. Neumann's soccer team started as a small under-equipped unit, and in three short years has developed into one of Western New York's high-school powers.

Defeating such teams as Maryvale, West Seneca and Park School, is a fine indication of the dedication of the players. Coach Joe Piscopo has done a commendable job for the team both on and off the field. He spent many hours putting together the toughest schedule possible and the team lived up to his expectations with an 8-3-1 record.

J. V. Shows Bright Season

The future of soccer at Neumann looks bright with the outcome of the 1968 J.V. Soccer team. They compiled an 8-1-2 record, losing only the last game to Gow School. Led by junior Jim Hoffman and sophomore Ben Madonia with 10 and 5 goals respectively, the J.V. turned out the best team effort for the sport in its short three years at B.N.H.S. Peter Thompson a former Neumann soccer player, took on the job as coach and produced a powerful team, in a very short time.

Golfers Finish 4th In League Competition

Although losing two established All-Catholic Golfers by graduation, Coach Fr. Supple was optimistic about the 1967 season's outcome. With a young team led by All-Catholic Junior Mike Hirsch, the Neumann golfers posted a 5-3 record, good enough for a fourth place ranking in the Burke League and a third place in the All-Catholic meet. With wins over Fallon, St. Joe's and Timon, Neumann kept its rank among the established schools in the league.

Cross Country Harriers capture Third Place in All-Catholic

Led by All-Catholic Greg Connor, the cross-country team ran to a third place tie in league competition, with a 6-3 record. With four harriers finishing in the top twenty, the team finished a solid third place in the All-Catholic meet. Coach John Mandelare is expecting another fine season next year as juniors Terry Lee, Kerry McKenna and Steve Buell will be returning.

Kegglers Have Disappointing Season

A particularly difficult season faced Neumann bowlers during the 1967-68 season—The bowlers won 12 out of 36 games. High scores were averaged by Don Whipple and Mike Schmidt. Although the team finished last in league competition, Mr. Pozluszny is optimistic about next year's team.

Dragons post 11-7 Record for 4th Place in Burke League

This year marks the most successful varsity basketball season for Bishop Neumann in Burke Division Play. All players contributed to the success of the team, each scoring in double figures in at least one game over the 18 game schedule.

Led by Co-Captain Mike Coleman, with an 11.5 average, and Keith Enstice, who compiled a 14 point average over the second half of the season, the Dragons earned 4th place and a spot in the Manhatten Cup Tournament. Twice in three years Coach Joe McCarthy's cagers have worked their way to the championship playoff courts. Although losing 5 seniors, the future of Neumann basketball remains bright with 5 lettermen returning along with 4 juniors from the J.V.

J. V. Completes Successful Season

A combination of teamwork and a strong bench led the Junior Varsity to the most successful season in Neumann History. The combined efforts of Ed Koral, John Farrell, and Tom Schratz led the teams success. Fr. William Hallahan did a fine job in grooming talent for future varsity squads in his first year as J. V. coach. Several times the J.V. set the tone of victory in many Neumann double-headers.

Frosh Dragons Show Progress In Spirit and Abilities

Led by the scoring of Paul Schaefer and Jack Coppola the Frosh finished the season with a 10-6 record. First year Coach Mike Machado did a fine job in forming some fine players such as Dennis Sinclair, Ken Mergenhagen and Charlie Palmisano. Intensive practice developed deciveness and accuracy in the technique of the Frosh Dragons.

Cheerleaders Spur Action

"We're from Neumann . . . and no one could be prouder." Excitement, suspended by the referee's whistle, explodes again as play resumes. Behind our team, channeling the ardor of the crowd into moving cries for victory, are the Varsity and J.V. Cheerleaders. This year, under the direction of Miss Benedict, they have worked diligently with new methods of cheering and have been quite effective in unifying BNHS fans.

Ice Dragons Breathe Fire On Opponents

This year our ice Dragons captured their second straight Town of Amherst hockey championship with a 13-0-1 record. Neuman completely outclassed the league by consistantly trouncing their opponents by wide margins. The team was led by high scoring forwards Tom Schratz, Ben Madonia, and Jim Busch and defense was paced by the Brownschidle brothers: Lee and Terry and goalie Mike Rusch.

Neumann Swimmers Win Eleven Trophies in All-Catholic Event

The Neumann swim team compiled a commendable 8-2 record and finished second in the six-team Bishop Burke League. Early in December, Neumann mermen began to show their excellence with the 100 yd. backstroke record broken by Senior, John Vasko. Under the able direction of Mr. Don Banks, the swimmers copped three first places in the All-Catholic event—Rick Beall completed a banner year, ending with first place in the 50 yd. freestyle. Neumannits, Rich Stachura, Pat Murphy, Barney McGuire and George O'Connor, set up a 1:59.1 record in the 200 yd. Medley Relay. The final record-setting swim was completed by Rich Stachura in the 100 yd. backstroke. Neumann is proud of the 11 trophies and 6 medals which the swimmers brought home.

Wrestlers Tie For Title

Bishop Neumann's wrestling team, led throughout the season by five undefeated wrestlers, finished in a tie with Notre Dame, as both squads posted 9-1 records. Neumann then placed third in the All-Catholic tournament, four points behind the winning team. Five Neumann wrestlers took home All-Catholic honors, 103 Gary Neiderpruem, 115 Chris Kennedy, 136 Bill Weber, 141 Dave Borchard, and 157 Gerry Cusimano, who was also named the "Outstanding Wrestler."

Ball Players Out To Break Last Year's Record

Play ball! A familiar sound in the early days of March as Coach Joe Piscopo begins intensive training for the 1968 season. Returning lettermen Keith Enstice, Bill Troy, Dan and Don Burkard have vivid memories of the 1967 record of 9-9. With Mike Pucci, Chuck Prorok and Dan Burhard on the mound, the Dragons are assured of a fine season. However, the upcoming players will be a big help to seasoned baserunners against tough opponents.

Trackmen Prepare For Big Year

Under the coaching of Mr. Dennis Tollini, the trackmen are out to build the Neumann Track Team into a contender for a championship title. With many experienced runners returning, after a poor 3-7 record last year, hopes are running high. Seniors Jim Gorham, Greg Connor, Len Coppola and Juniors Kerry McKenna and Terry Lee, have the stamina and accuracy necessary for bringing the trophy to the Dragons.

Netmen Show Bounce On Court

With the termination of spring rains the BNHS raquetteers, coached by Mr. John Mandelare, poured onto the courts. Due to foul weather outdoor practice was hampered, hence the netmen practiced their backhand shots, forehand smashes and serves in the gym. From all indication Tom Gaszowitz, Doug Bissonette and John Hino are destined to lead the team, with promising underclassmen Kevin McLaughlin, Bill Brobeil, and Jeff Batt to back them up.

Girls Bowling Provides Athletic Diversion

Under the able guidance of Sister Amata the girls bowling team had a successful season. Personal improvement in the game came through the weekly practice and competition. Besides the thrill and excitement of spares and strikes the girls also developed poise through contact with many new people. Our bowlers exhibited sportsmanship and brought honor to Neumann.

Team Displays Wealth of Spirit

Out of intensive practices emerge potential basketball stars. Though the year's record of 1-4 does not seem impressive, the Girl's Basketball team used their ability to futher skills and to sharpen techniques in playing the game. The future is one of great promise says Miss Woods, Girls' Basketball Coach.

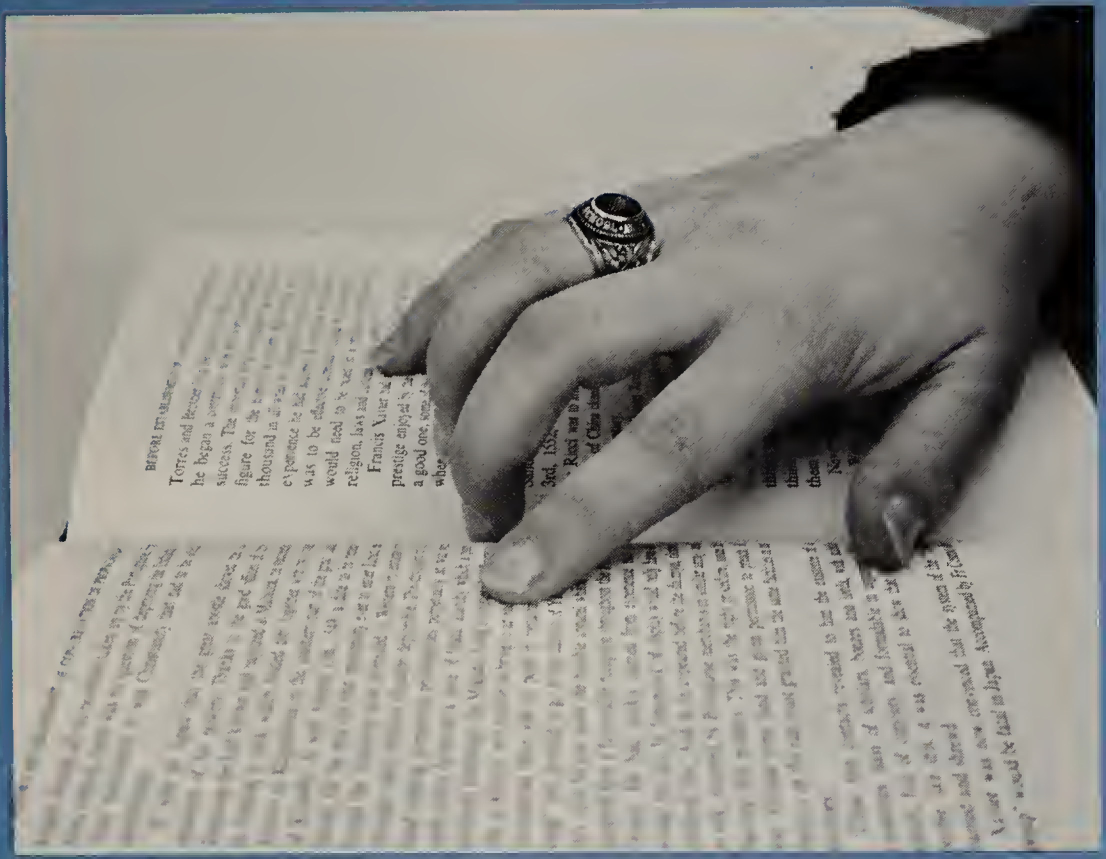
SENIORS



Seniors are restless
as high-school days
of learning culminate.
The spirit and thoughts
of former teachers
and vast acquaintances,
Form another piece
of the human puzzle.
Life's meaning
for each person is changed.
Yet guided by the strength
of forgetting in the "me"–
believing in the "I",
they are ready
to face the challenge . . .

MEMOIR 68

As the school year of 1967-68 comes to an end, so does *Memoir* 1968 and the job of its staff. Although this yearbook staff includes a very small portion of the student body, we have tried to create a book that ties in most closely with the lives of the students, faculty and administration. We looked at the life within the school and attempted to display this in both words and pictures.

We would like to thank everyone connected with this endeavor, for contributing both their time and energy. In an undertaking such as this, some have helped so extensively, that thanks should be expressed outright.

To Father Morrissey, our principal, who generously gave us the use of the Publication Room and the time during the day for photographing and carrying on our work.

To the faculty, for being patient with us while we interrupted their classes for student pictures as well as for their own individual pictures.

To Sister Helen Marie and Mr. Patrick Hughes, grateful thanks for their assistance in the financing of *Memoir* 1968.

To the professional people behind the running of the yearbook, Mr. William Sloane Jr., the representative of our publisher Foote and Davies, for his able time and assistance and to Mrs. Held and Vardin Studios for the scheduling, taking and processing of pictures, a tremendous job which our own staff photographer could not possibly undertake.

To our five associate editors and their able staff, Jo Ann Elbers, Janet Case, Jackie Grandits, John Vasko and Dave Penetar, a great deal of thanks for creating a new and better yearbook.

And to Sister Andrea a debt of thanks for all her devoted help. It was a pleasure working with such a patient woman, whose presence was felt by everyone on the staff.

With final appraisal left up to the reader, now and in the future, the editor and staff of *Memoir* 1968 hope we have presented Bishop Neumann with a memorable yearbook.

David M. Gentile
Editor-in-Chief
MEMOIR 1968

The hurt, the sorrow,
the ugliness . . .
just to be touched,
not dwelt upon.
Happiness, fulfillment,
success . . .
man reaches for these.
The *past* and *present*
will be tomorrow's memories,
and the *future*
is today's hope.
In the face of social problems,
war and individual strife,
man anticipates this future
"through the glass darkly,"
yet secretly wants
bright and flourishing times.
Time and man form the answer.

Dear Syl,

Having
you as a friend
has really made
my year. I'll
always remember the
classes we were in to-
gether. All the laughs we
had in Senat with Greg, Jim,
me & well everybody. The great
times we had in lunch, eating
throwing it around and everything else.
I really will miss you and the gang next
year. but just because we won't laugh to-
gether everyday, doesn't mean we can't make it
up on weekends. I really hope you have just as many friends
and just as much fun at Amherst. Always stay
your laughing, smiling self. We could use more
of you around. May everything you do bring you
happiness. I'll see you in the summer.
right? As soon as I get my clunker liscensed (:)
I'll drive over and we can tour Cheektowaga
all day. Well since the paper has run
out here I'll stop, but I
hope our friendship
won't end
There....

Syl,
I'm a really great
Kid. I wish I knew
you better. Remember
our great gym class.
Have a great summer. L.Y.A.
Kathy Coppins

Dear Sil,

Well I Finally made it to Neumann! Of all the years I have known ya you have to turn around and leave up! I am sorry ya have to leave. I am really going to miss ya!

Stay as nice and as pretty as you are. You can come to my H.S. graduation.

Good Luck,
Love ya,
Dede Krzicki

Syl,
I hope you have a
really great summer.
Try and behave yourself
but have all the fun
you want anyhow.
Keep your beer cold and
your boys warm!
Debbie K.

Dear Sly,
(sorry, Syl) (never could spell.)
Never forget your two years at Neumann all the mornings on the bus were brightened by you - next year you'll never know how much I'll miss you. I'm gonna cry. Never forget the first day of our freshman year when I bravely asked you if you were a senior and the next day I forgot who you were!! Even though we never had a real class together I feel that you are one of the best friend I met at Neuman. No matter what happens at Amherst I hope you have the best of luck now & forever.
I'll miss you
Stay as sweet,
cute, nice, and
neat as you
are forever
your
bus buddy,
Hoban

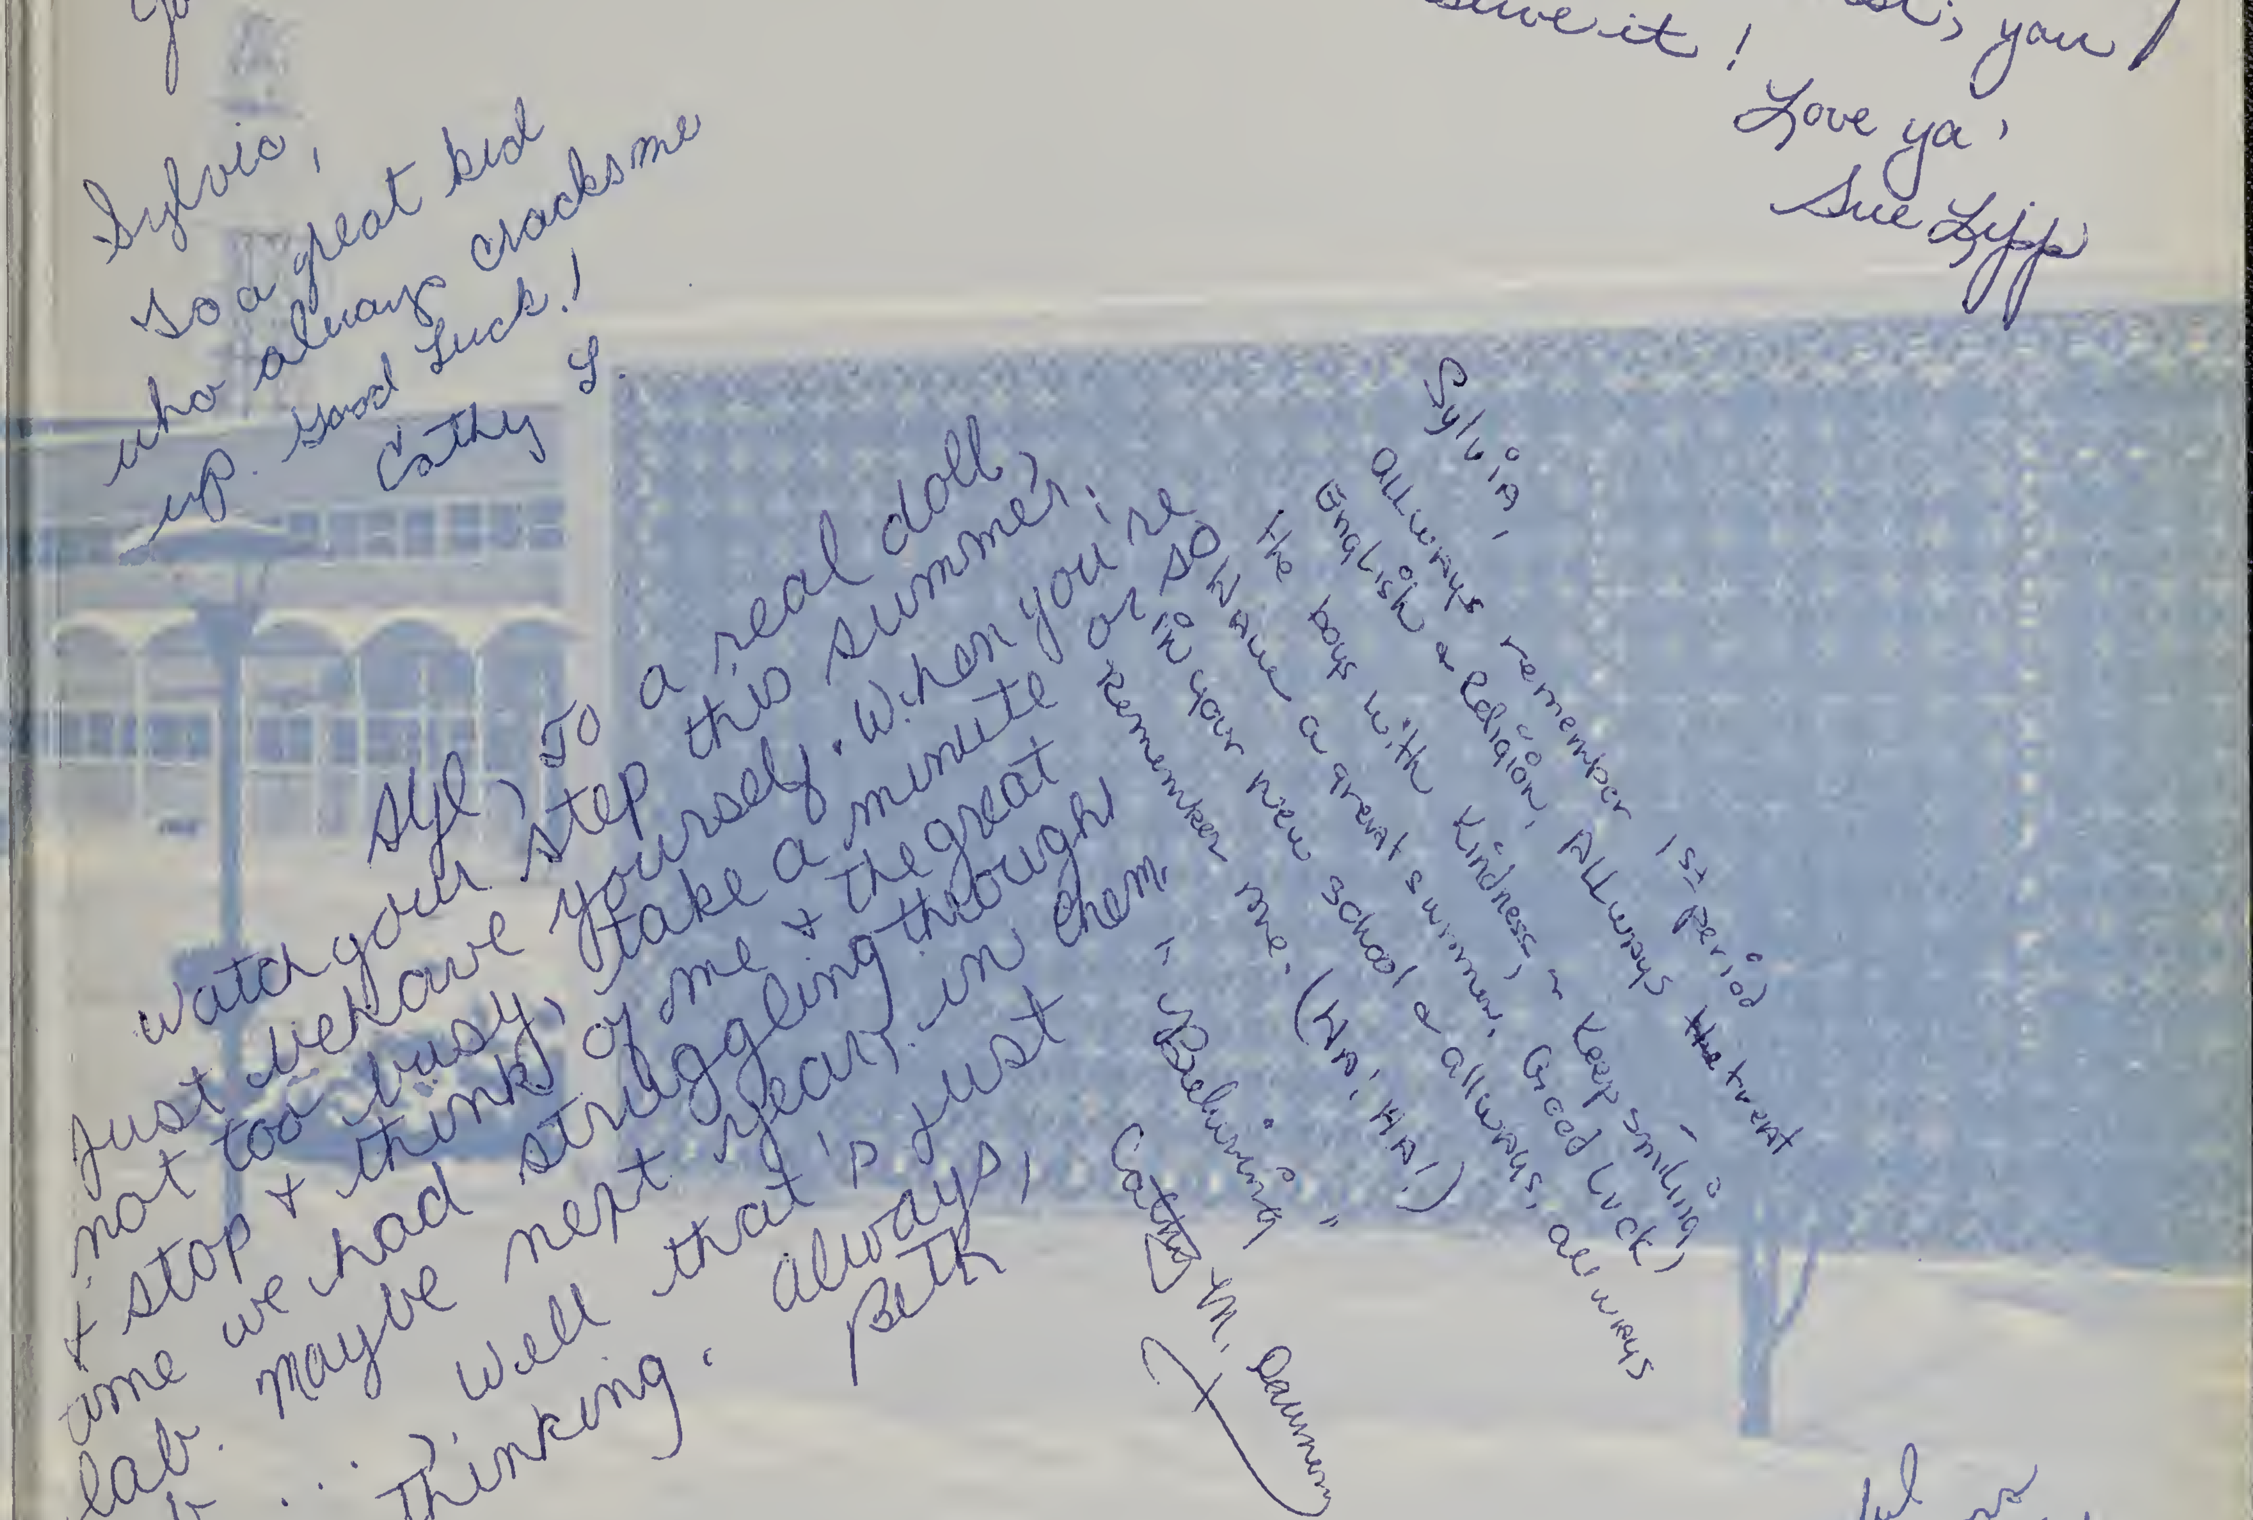
Syl,
Sorry to hear that
you're leaving next year,
We'll really miss you, Syl,
esp. in gym + French.
— Me
(Cathy 3.)

Hoban always
telling what a panic you
live on the bus! Sorry you
aren't coming here next year
Be good always!
Jess

Dear Sylvia,
I'm glad we were
in so many classes. Always
remember Picolo as if you could
ever forget: I hope I see you
sometime next year even though
you're not coming Back
Karen

Syl,
you've been a
riot to know this
year; remember all
the fun we've had?
I wish you the best of
luck at Amherst; you
deserve it!
Love ya,
Sue Lipp

Sylvia,
To a great kid
who always cracks me
up. Good Luck!
Cathy S.



Syl, To a real doll,
watch your step this summer,
Just behave yourself. When you're
not too busy, take a minute or so
& stop & think of me & the great
time we had struggling through
lab. maybe next year in chem.
lab... well that's just
wishful thinking. always,
Beth

Sylvia,
always remember 1st period
English & Religion, ALLways ~~the~~ treat
the boys with kindness, & keep smiling,
Have a great summer, Good Luck!
in your new school & allways, always
Remember me. (HA, HA!)

Sylvia,
Remember the days
you came to our wonderful
bowling days. Oh well it was
alot of fun Be good & stay
that cute little way you are.
